

Amberfield HOA Meeting Notes November 16, 2006

- **Since we did not have a quorum at our annual meeting that was held on October 19, 2006, our meeting this November 16, 2006 constitutes a quorum.**
- **As discussed with Michelle (sitting in for Shrieen) we will Shrieen follow-up with “Stewart” the contractor to re-install surveillance cameras on pool house.**
- **We should send out 2nd notices regarding the annual HOA inspection violations.**
- **Board Elections; Neli and Gaston were elected to the board. Richard chose to step down.**
- **Discussed pool house improvements – designed and price quote for a picnic area outside pool house.**
- **Noticed on pool contract 4 lifeguards – Michelle/Shrieen to verify how many guards were on last year’s contract.**
- **Key for bulletin board (near pool house) has been missing for a long time. Michelle/Shrieen will have someone to change the lock so the announcements Neli has been holding since June could be posted.**
